

Pocket Sized Power on the Go!

- Most portable chargers give you only a few extra hours of use before they are depleted. However, the *PowerPro™ 5600* will fully charge most Smart Phones three times before it has to be re-charged.
- Perfect for charging your mobile phone, iPhone®, iPad®, iPod®, PDA, MP3 & MP4 player, PSP, and GPS navigator.
- Double-click the power button to activate the handy super-bright LED mini-flashlight, good for up to 250 hours of use.
- The *PowerPro™ 5600* has an attractive LED display showing function and charge status, integrating an intelligent single-chip power management scheme.
- Compact and lightweight, carry it with you everywhere!
